

1. Shown at 0° tilt, as for a vertical pipe. It can also mount on a horizontal truss (store).
2. Tilts 15° down (store rating).
3. Fits TV mounting-hole patterns (VESA) 75 to 100 mm wide x 75 to 100 mm high (store rating).
4. Clamps 1-1/2 (1.5) in pipe (1.900 OD) in its Ø50 mm bore: the hinged jaw closes on the pipe and is locked with the M8 x 1.25 clamp screw and wing handle.
5. Head centre = the centre of the TV mounting-hole field (dash-dot lines). TV mounting holes in mm.
6. Shown with its hardware: M6 x 1 screws with white plastic washers at the tilt pivot and slot; M10 x 1.5 hex bolt and nylon-insert nutlock joining the clamp to the plate; M8 x 1.25 clamp screw.
